CALL FOR POSTERS

The 26th World Conference on Information Security Applications
WISA 2025
Korea Institute of Information Security & Cryptology

ETRI Electronics and Telecommunications Research Institute

August 20-22, 2025 / MAISON GLAD, Jeju Island, Korea

General Co-Chairs:
Young-Ho Park (Sejong Cyber University), Seung Chan Bang (Electronics and Telecommunications Research Institute)

Program Committee Co-Chairs:
Ki-Woong Park (Sejong University), Jungsoo Park (Kangnam University)

Organizing Committee Co-Chairs:
Manhee Lee (Hannam University), Haehyun Cho (Soongsil University), Jaedeok Lim (ETRI)

OVERVIEW

WISA is the premier security research venue co-hosted by the Korea Institute of Information Security and Cryptology (KIISC) and the Electronics & Telecommunications Research Institute (ETRI) and co-sponsored by the National intelligence service (NIS), the Ministry of Science and ICT (MSIT), the Korea Internet & Security Agency (KISA), and the National Security Research Institute (NSR) by the Korea Institute of Science and Technology Information (KISTI).

This year, WISA will be exploring the innovative possibilities of various technologies in enhancing (and threatening) cyber security: artificial intelligence (AI) and blockchain-driven security, hardware cryptography, and all other technical and practical aspects of security applications. We invite participants from a diverse group of researchers and practitioners who are passionate about advancing the state of the art, as well as addressing fundamental security challenges. Join us at WISA 2025 and be part of the conversion that shapes the future of information security.

WE WELCOME SUBMISSIONS OF:

At WISA, we recognize that high-quality poster presentations are an integral part for fostering dialogue and exchanging ideas. Thus, we are actively seeking posters showcasing recent or ongoing research related to information security. Preliminary findings from ongoing work by undergraduate or master students' research. Selected posters will be invited to the Journal of The Korea Institute of Information Security and Cryptology (JKIISC) special issues.

INSTRUCTIONS FOR POSTER AUTHORS

- Original submissions should use the LNCS template format and be at most 4 (four) pages (excluding references). The submission WILL NOT be included in the Proceedings. For posters on previously published papers, please submit a simple PDF with the following information:
    - Full bibliographic citation (title, authors, venue, etc.)
    - A link to the published (official) version of the paper
    - Paper abstract

- All submissions must be in PDF format and should NOT be anonymized.
- Submission can be made only through the EasyChair platform at https://easychair.org/conferences/?conf=wisa2025
    - Select "Make new submission" then select "WISA 2025 Posters" track to submit your poster paper.
- Copyrights of any content for the poster presentations are retained by the authors. We WILL NOT impose any restrictions on the poster authors to submit the contents to other journals/conferences in the future.
- Questions regarding submissions should be emailed to kiisc@kiisc.or.kr

IMPORTANT DATES

Poster submission deadline
July 25, 2025 (GMT+9)

Poster acceptance notification
August 1, 2025 (GMT+9)

Pre-proceeding file submission deadline
August 8, 2025 (GMT+9)
