

WISA 2020 CONFERENCE

CALL FOR POSTERS

High-quality poster presentations are important session in WISA conference. We solicit poster abstract that showcase high impact research on areas relevant to WISA.

Important Dates and Submission Procedure:

- Submission Deadline: July 22, 2020 (23:59 GMT+9)
- Acceptance Notification: July 24, 2020 (23:59 GMT+9)

Submission procedure:

The authors should first visit and login at

<https://easychair.org/conferences/?conf=wisa20200>

Then, select the WISA 2020 poster session track

Submission Requirements:

The submission should be a single PDF document consisting of (1) the *poster abstract* and (2) the *poster draft*.

Poster abstract: Poster abstract should provide sufficient details about your research showing that you have adequate information to fill a poster. Poster abstract should meet the following requirements:

1. No more than 2-pages, including references and figures
2. Submission should not be anonymized
3. Titles should begin with "Poster"

Poster draft: All submission must also include draft of the poster to receive feedback from the committee before the conference. Poster size should be 32x40 inches but can be scaled down to "letter" paper size.

Authors of accepted posters shall give an online presentation for no longer than 10 minutes.

The accepted posters will not be formally published, and their copyright will be owned by their authors. Therefore, authors can present or publish any content of their poster in other conference or journal. Moreover, we will welcome the latest research outcomes, which were introduced at other venue.

Selected posters will be invited to SCIE journal special issues or Scopus journal fast track.

Contact kiisc@kiisc.or.kr for any questions.
